

**Lanserhof announces Sheila McCann as UK General Manager
ahead of two exciting new UK developments for the leading brand**

Lanserhof UK has recently announced their appointment of Sheila McCann as General Manager, with McCann stepping into her new position on 1st February. As one of the most accomplished and respected managers in the industry, she has devoted 35 years of her life to the spa and wellness sector. In her position as General Manager for Lanserhof UK, she will lead two major new developments for the world-renowned health resort brand: Lanserhof at The Arts Club in London and Grayshott Health Spa in Surrey - McCann takes over from Eva-Maria Hasenauer, General Manager of Lanserhof Tegernsee.

Lanserhof's CEO of over 20 years, Dr. Christian Harisch said of the exciting new hire:

"We are very pleased that with Sheila McCann we have been able to recruit such an experienced and distinguished manager from our industry for the Lanserhof Group. At the same time, we would like to thank Eva-Maria Hasenauer for her excellent interim management."

McCann, who started her career as a spa therapist in her native Canada, was most recently General Manager of the Chiva-Som International Health Resort in Hua Hin Thailand – a five-star destination wellness resort, after spending five years as the Corporate Spa Director for an Asian luxury hotel group where she was responsible for over 35 spas worldwide. She holds an MBA in Tourism and Hospitality, has been a key supporter of Global Wellness Day since its inception and is a founding member of the International Health and Wellness Alliance.

"Health and wellness has been the focus of my interest since my youth. In my career, I have gained a wealth of experience, consolidated my professional knowledge and repeatedly faced new and exciting challenges. Lanserhof UK is a truly unique opportunity for me to translate, shape and establish a proven concept and brand into a new market," said Sheila of her appointment.

About Lanserhof

For more than 30 years, Lanserhof has stood for innovative vital medicine and, with its concept, is a medical institution that has won many awards in Europe. The LANS Med Concept is a symbiosis of traditional naturopathy and modern medicine. As early as 2012, the parent company in Lans / Tyrol was supplemented by the outpatient health centre LANS Medicum in Hamburg. In January 2014, the Lanserhof also opened at Tegernsee. In September 2015 and 2016, the hospital was named World's Best Medical Spa at the World Spa Awards. In January 2017, Lanserhof LANS reopened after reconstruction and extension with a new building, a seawater pool and a cold chamber.

Together with London+Regional Properties, Lanserhof Group acquired the Grayshott Health Spa in Surrey near London. The acquisition of Grayshott Health Spa is Lanserhof's first investment in the UK. Grayshott Health Spa will continue to operate under its prestigious

name. With this acquisition, the 50/50 joint venture plans to restructure and focus on the medical wellness sector.
